

InstructionExtra-Curricular Program

The schools shall offer a program of extracurricular activities (after school). This program shall be varied and shall make use, wherever possible, of parental assistance and community resources. Participation in extracurricular activities shall be considered a privilege.

Students shall be encouraged to participate in the after school program, but not to the extent of damaging their academic performance.

Supervision

Whenever or wherever held, when conducted under the name of the school or school district or any class or organization thereof, extracurricular activities shall be under the general supervision of the school authorities.

Non-Secret Groups

Extracurricular groups shall not be secret in nature.
