Hurlbutt Elementary School's Early Learning Center (ELC) provides services for Weston's preschool students who have special education needs. Since there are no typical preschool classes in the school district, we have developed an integrated model to include typical peers. Children who participate in the program will join the special education students in order to provide strong communication and positive behavior role models. The program operates 5 days a week, 4 ¾ hours per day (8:30 A.M. – 1:15 P.M.). Weston families are welcome to apply to be considered for enrollment in the program. The fee for the 3's and 4's classrooms for the 2020-2021 school year will be \$7000.00.

If you are interested in having your child participate in the program, complete the application located on the district website, www.westonps.org or pick one up in the Main Office at Hurlbutt. **We will be accepting applications for the program from Monday, December 2, 2019 through Friday, January 15, 2020.**

In order to participate in the program:

- Children must be 3 years of age on or before September 1, 2020.
- Children who will be 5 years of age on or before January 1, 2021 are not eligible for this program
- Children must be toilet trained.
- Parents are expected to provide transportation.

All completed applications must be returned no later than close of business Wednesday, January 15, 2020. Please return the applications to:
